

Attention: Katy Freeway Travelers!

Katy Freeway Travelers: The Texas Transportation Institute is conducting a survey about travel on the Katy Freeway and the new Managed Lanes. The survey takes only 10 to 15 minutes, and would help a great deal in efforts to improve transportation in the Houston area and throughout the country. Also, two randomly selected respondents will win a **\$250 gas card**. Please visit <http://www.katysurvey.org> prior to **July 15**.

Thanks!
